

Safehome

Safehome's December statement . . .

"YOUR SUPPORT MAKES A DIFFERENCE."

"It is because of your generosity that our clients sleep peacefully, enjoy a hot breakfast in the morning and worry less about a violent argument erupting.

Because of you, our clients talk to a therapist about the trauma they experienced and begin to heal and receive the support needed to start planning for the future.

Because of you, Safehome changes lives."

This is why BVQG helps Safehome to "Give the gift of Safety."

Your BVQG Donated Dollars and Dimes at work!

***'Safehome-sheet-shopping'* – say that five times fast!?!**

We focused on Safehome's urgent need for lightweight blankets this month. January White Sales, coupons and 'reward dollars' led us to

Bed, Bath and Beyond and Kohl's with our \$350 Ca\$h Jar money

for the purchase of

19 Twin bed microfiber blankets

2 sets of Twin bed sheets

. . . and we have money left to add to your

February \$tash Your Ca\$h Jar donations!

*Additionally, we were proud to deliver **7 more Trundle bed size quilts** beautifully made by our BVQG quilters!*

Chef Jill excitedly told us that the \$150.00 Sam's gift card would be used for the purchase of storage containers, nesting bowls, cups and silverware for the SAFEHOME kitchen. Our extra funds for the general kitchen use mean that she has more money from the monthly budget for FOOD!

And donations didn't stop there!

We were delighted to find EXTRA items on the SAFEHOME table!
