3. Sew background "B" strips to each side of the jar. Press seams to "B".
4. Sew lid fabric to piece "E". Press seam to lid.
5. Sew background "C" to each side of the lid unit on the short side. Press seams to "C".
6. Sew the two created units together, paying attention if your fruit/vegetable fabric has a top and bottom.
7. Sew shelf fabric "G" to the bottom of the jar. Press to seam "G".
