

SHOPPING SPREE for SAFEHOME!

With an 'urgent needs' list in hand and previously collected *BVQG Cash Jar funds* in our pockets, your Safehome committee descended on the aisles of Sam's Friday to fill two carts with food and snack items for the residents. About an hour . . . and \$250 later we headed to Safehome to deliver a car full of groceries and five trundle bed quilts!

Sarah, the resident kitchen manager, was overwhelmed with gratitude as we piled the goods onto her cart. More than once she asked us to pass on to you BVQG members *how much they ALL appreciate what our Guild does*. She LOVES the large Cuisinart we purchased last Fall for the kitchen – makes her job much easier. Delivery was extra timely for the weekend because they had just finished all the snacks in the pantry!

It's an especially difficult time there right now not only because of Covid-19, but also due to renovation construction underway in the residential kitchen and front entrance.

Here's how we spent your donation money for the requested items.
